

NISSAN INSURANCE GAP POLICY

Purpose

The purpose of this policy is to protect you from a financial loss. In particular a shortfall between the indemnity value under your Comprehensive Motor Policy and what you owe under the Credit Contract.

It does not cover you for loss, destruction, or damage to the vehicle itself.

Your Cover for Shortfall Amount

In consideration of the Premium and subject to the terms, conditions and exceptions set out in this policy, We will indemnify the Insured against financial loss arising from the amount payable under the Total Loss Payout pursuant to the Comprehensive Motor Insurance Policy being insufficient to meet the balance due under the Credit Contract (as set out further in the What we will pay and What we will not pay clauses below). Any shortfall payable under this policy will be paid to the Financier in reduction of the Insured's obligations to the Financier.

Exclusions

We will make no payment if your Comprehensive Motor Insurer does not pay out the full Market Value or the full Agreed Value of the Vehicle to the Financier following a Total Loss for any reason whatsoever. No benefit shall be payable in respect of loss consequent upon war and related risks, earthquake, volcanism, tsunami or other seismic event. The Indemnity under this Policy does not cover loss arising where a Credit Contract has been entered into under circumstances which would have been unacceptable to us or the Financier had the true circumstances been known at the time and would have resulted in us not agreeing to enter into this Policy or the Financier not agreeing to enter into the Credit Contract on the basis and on the terms as set out in the Credit Contract, for example, overstating the value of the trade in or inflating the purchase price of the Vehicle.

What we will pay

In the event of a total loss and provided the Vehicle insurer has accepted the claim under the Comprehensive Motor Insurance Policy and paid the insurance proceeds to the financier, we will:

- pay to you \$500 or \$1,000 inc GST (depending on the cover selected on the policy schedule) for out of pocket expenses; and
- pay the financier on your behalf any shortfall amount owing to the financier up to a maximum of \$5,000 or \$10,000 inc GST (depending on the cover selected on the policy schedule).

We will only pay one claim under this policy.

What we will not pay

In calculating the shortfall amount owing to the financier the following amounts will not be included:

- Any arrears or deferred payments outstanding under the Credit Contract;
- Penalty payments for early discharge or additional interest payments under the Credit Contract;
- Any monies which are rebateable under any contract financed under the Credit Contract; and
- The amount of any increased indebtedness or liability where there has been a variation to your Credit Contract which has not been notified to us and confirmed by us as being covered by this Policy which has the effect of increasing our liability.

When we will not pay

This policy will cease to operate and no claim will be paid where the vehicle:

- is being or has been used for or tested in preparation for any form of motor sport;
- is being used for the purpose of driver instruction or tuition for reward or the conveyance of passengers for hire or reward (this includes taxi and car rental);
- is being used as a police or emergency service vehicle;
- is being used for courier purposes; or
- this policy has ended.

When this Policy ends

This Policy ends when one of the following occurs;

- This Policy is cancelled or avoided;
- The Credit Contract is repaid in full;
- The Period of Insurance expires;
- The time for repayment under the Credit Contract has passed – this applies even if the Insured still owes money;
- The Vehicle is no longer covered by a Comprehensive Motor Insurance Policy;
- Payment of a claim is made under this Policy;
- 60 months from the date the Credit Contract commenced.

Cancelling this policy

You may cancel this policy at any time by writing to us to request cancellation of your policy and the financier consents to the cancellation.

We may cancel or avoid this policy where we are legally allowed to do so.

In the event of cancellation we will pay the remainder of the premium to you after deducting an amount from the premium to cover the time the policy has been in force and any applicable cancellation fees.
