Is there a stand down period?

Yes, different claims have different stand down periods. Please read the policy terms, conditions and exclusions for full details.

I have had the benefits of Lifestyle Protection Insurance explained to me and have been given the opportunity to purchase a policy.

I understand that Lifestyle Protection Insurance would provide me with a set monthly cash benefit in the case of certain events, such as death, accident, disability, redundancy, business interruption, bankruptcy, suspension or hospitalisation. The monthly cash benefit would help me maintain my lifestyle should an unforeseen event happen.

I do not wish to take out a Lifestyle Protection Insurance policy, and understand that I do not have the right to claim any benefits under the policy.

NISSAN INSURANCE

Lifestyle Protection Insurance

Life doesn't always go according to plan. Redundancy, an accident or illness could stop you from working, leaving you without an income and the ability to meet your monthly commitments such as your mortgage payments, loan repayments, household bills and so on.

You can protect your lifestyle against the unexpected with Nissan Lifestyle Protection Insurance. It's designed to provide you with a set monthly benefit to cover your financial commitments and expenses in the event of redundancy, an accident or illness. You can also include family members in your policy.

How it Works

Say you had an accident and were unable to work for three months. You'd taken out Nissan Lifestyle Protection Insurance and you'd set your monthly benefit at \$500.

During those three months while you're recovering, you'll get a monthly income of \$500 from Nissan Insurance.

This takes away the stress of how you're going to pay your expenses allowing you to focus on your health.

Choosing your Cover

Nissan's Lifestyle Protection Insurance can be tailored to suit your lifestyle, financial commitments and expenses. You can set your monthly benefit at any amount from \$100 to \$4,600* per month for up to a maximum of five years(60 months). Please refer to the policy terms, conditions and exclusions for exact limits.

Protecting your Loved Ones

Your policy also pays out a lump sum in the event of your death. This will ease the financial burden on your family, and will give you peace of mind knowing they will be looked after financially should the worse happen.
